Welcome to C/C++ IV

Course goal:

- Write robust code

9 lessons

Instructor Info

- Ray Mitchell III
- ray@raymondmitchell.com
- 15+ years software development
  - C/C++
  - Java
  - C#

Syllabus

- Prerequisites
- Homework
- Grading
- Course Topics

Lecture Notes

- Lecture audio follows notes
- Slide titles match notes section
- Follow along in the lecture notes
- Notes show code samples
